

LAPORTE LABS LLC

Facilities, Grounds & Supply Contractor for Government,
Municipal & Commercial Buyers

SAM.gov Registered
Small Business, For-Profit LLC

CORE COMPETENCIES

- **Janitorial & Facility Cleaning** — Recurring janitorial service, restroom and paper product supply, disinfecting, and facility upkeep for offices, public buildings, schools, and commercial sites.
- **Landscaping & Grounds Maintenance** — Mowing, trimming, seasonal cleanup, mulch, and grounds upkeep for federal, municipal, and commercial properties.
- **Painting & Property Support** — Interior and exterior touch-up painting, small property maintenance, and light repair projects.
- **Facility Supplies & MRO Sourcing** — Janitorial and paper products, cleaning/polishing compounds, toiletry paper products, and general maintenance-repair-operations sourcing.

DIFFERENTIATORS

- Owner-operated: Mark LaPorte is the direct point of contact for every quote, order, and delivery — no account-rep layers.
- Vetted subcontractor and supplier network built for reliable field execution and consistent pricing.
- Rapid quote turnaround and flexible sourcing across facility supply and service categories.
- Rhode Island-based with regional reach across Rhode Island, Massachusetts, and New England.

READINESS & APPROACH

LaPorte Labs LLC is newly registered and actively building its government contracting track record. The company is structured to start with clean, well-scoped small orders — supply and service work it can deliver flawlessly — and grow into recurring contracts through reliable performance rather than overreach. General liability coverage and an established supplier/subcontractor network are already in place to support execution from day one.
